EDUCATION FOR A HEALTHY FUTURE

Understanding comprehensive sexuality education through classroom experience, international technical guidance and country reflections

Join the presentation of the Revised *International Technical Guidance on Sexuality Education* to learn more about the benefits of teaching comprehensive sexuality education (CSE), the new recommended curriculum content, and how it contributes to gender equality and a healthy future for all young people.

The event will include an interactive classroom activity that will familiarize you with CSE, as well as high-level panel discussion to showcase country experiences and global commitments.
