PREVENTING THE PREVENTABLE
REACHING RURAL WOMEN AND GIRLS THROUGH OBSTETRIC FISTULA INITIATIVES

Panel Discussion + Q & A

Come join the discussion on ways to improve rural women’s access to maternal health services to protect them from being susceptible to preventable maternal morbidities, focusing on approaches being used through obstetric fistula initiatives to reach rural women and girls.

13 MARCH 2018
8:15 AM to 9:30 AM
