# The Future of Women at Work: A road map for gender equality and decent work

12 March 2019  
6:30 - 7:45 pm  
Conference Room 12, UNHQ

This side event will mark the launch of the new ILO report "**The Future of Women at Work**" to be published on International Women's Day 2019, the year marking the celebration of the ILO's first centenary.

The report brings together the extensive and ground-breaking stock-taking work undertaken through the Women at Work Centenary Initiative under the Sustainable Development Agenda. It proposes a road map to accelerate the closing of gender gaps in the world of work by 2030.
