

Gender Equality and Gender Ideology: Protecting Women and Girls

March 20, 2019

11:30-12:45

UNHQ CR-11

New interpretations of gender are impacting how people understand what it means to be a woman or girl. Experts will speak on how these new interpretations are impacting the identity, equality, privacy, and safety of girls and women, how schools and social protection systems are being affected, and what the bioethical, physical and psychological consequences of implementing these new interpretations are.

Invited speakers include: Dr. Ryan Anderson, Heritage Foundation; Mary Hasson, Catholic Women's Forum; Dr. Monique Robles, Lozier Institute; Dr. Melissa Moschella, Catholic University of America.
