Leader Summit 1996 of ADB in Manila, Philippines, February 20-23. 1996. ADB - Asian Development Bank, theme :  
" Regional Workshop on Solar Power Generation Using Photovoltaic Technology" attended by Representative of Bank Indonesia , (Senior government officials of BI) Prof. Dr. Ir. Arnaully Aminullah, MBA,  
He Introduction Solar energy is one of the alternative energy sources which has a good prospect. Solar energy can be converted into electricity through a photovoltaic (PV) system which is commonly called solar photovoltaic generating system. The information in this paper is part of the dissemination efforts of New and Renewable Sources of Energy (NRSE) technologies to the society, particularly to help rural people where ...
