## Peacekeeping

---

This collection:

### Peacekeeping Resource Hub

Peacekeeping Resource Hub is maintained by the UN Department of Peacekeeping Operations and the UN Department of Field Support. This collection serves as a repository for all official DPKO and DFS training and guidance materials, and primary resource for Member States, Peacekeeping Training Institutes, and the UN's partners on all things peacekeeping-related.

Some policies and guidance materials are restricted. Access to the full collection requires registration.
