Dear Rantasia Nur Alangan,

We were delighted to hear that **CSLI Indonesia has signed the pledge to support Mission Justice**, which is campaigning for no peacekeeper to be above the law in cases of sexual exploitation or abuse. It is fantastic to have an ever growing coalition and your support is greatly valued.

Please do get in touch with your ideas for how CSLI Indonesia could best contribute to our coalition and what role you see your organisation playing. We have some ideas, and will be in touch about that shortly, but we're sure you do too.

As stated on our website, we will shortly list CSLI Indonesia as a member of our coalition on our website and will be welcoming you to the coalition publicly on social media. But there is no need to wait for us: please do spread the word about the campaign right away!

Thanks once again for your support.

Kind regards,

Alfie Jenkins
