## The SDG Accord

Recognising that we are at different stages in our journey towards a sustainable future, with differing strategic priorities dependant on our strategic ambitions, areas of expertise and organisational culture

**This Accord calls upon we, the world's universities and colleges**

to embed the Sustainable Development Goals into our education, research, leadership, operations, administration and engagement activities.

**We Accord Signatories recognise:**

- The indivisible and interconnected nature of the universal set of Goals – People, Prosperity, Planet, Partnership, Peace
- That, as educators, we have a responsibility to play a central and transformational role in attaining the Sustainable Development Goals by 2030
-
